Library of the Health Sciences Collection Update, Fall 2016

By Estelle Hu

As a state institution, the Library of the Health Sciences is facing the issue of the uncertainty of the Illinois state budget. To accommodate the limited budget and the needs of diversified resources from UIC community, we tried our very best to make some adjustments of the collection of the Library of the Health Sciences. The changes of the resources in 2016 are listed below. Some of the resources were discontinued by publishers and some of them were canceled because of the overlap with other resources and low usage.

New Resources

- Gait Tutorial
- DSM V
- American Journal of Health Economics
